

Exclusive offer for Global Sustainable Tourism Council 2025

Reef and Island Day Sail

Departing daily from Denarau Marina, taking guests to the stunning Kadavu Lailai Private Beach in the Mamanucas. This picturesque destination boasts a long stretch of white sandy beach, expansive coral gardens, and lush tropical rainforest teeming with fascinating native flora. Guests can enjoy a day of snorkeling and diving in Kadavu Lailai's vibrant marine environment, or take part in activities like paddle boarding, kayaking, or beach volleyball. Nature walks, guided snorkeling, and glass-bottom boat reef tours with Captain Cook Cruises' in-house Marine Biologist are also available. Guests can participate in the company's 'Build a Reef' coral planting, monitoring, and Citizen Science programs. A refreshing tropical BBQ buffet lunch, chilled beer, house wine, and juices are served by the beach, accompanied by authentic Fijian cultural entertainment from the dedicated crew.

Participants and their companions will receive a 20% discount.
Valid for travel in August 2025.

Departs daily from Port Denarau Marina, 10am to 5pm.

Complimentary hotel transfers from Denarau/Nadi are included.
Transfers from Coral Coast, Momi Bay, Vuda, Lautoka and Sonaisali incur a small fee.
