

SUSTAINABLE ISLAND MAURITIUS

The Sustainable Island Mauritius (SIM), project piloted by the Tourism Authority and co-financed by the European Union under the Switch Africa Grant, has been committed towards this sustainable journey since 2018.

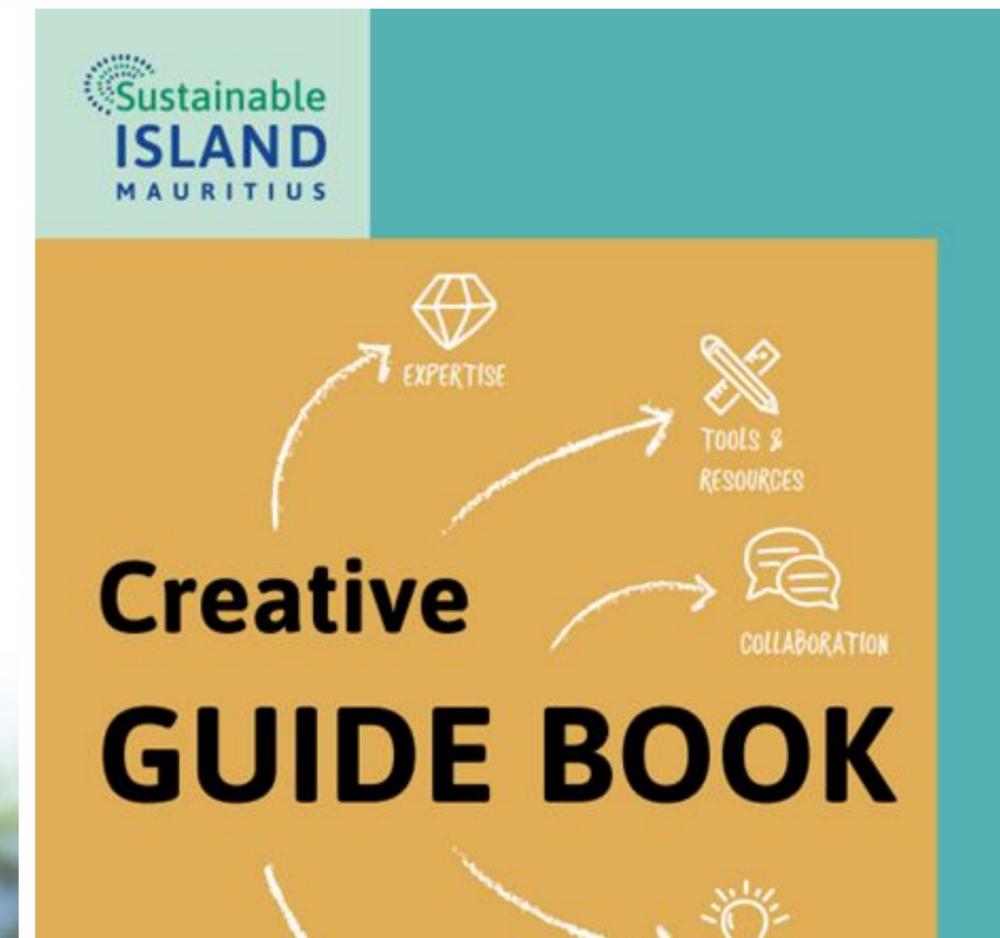

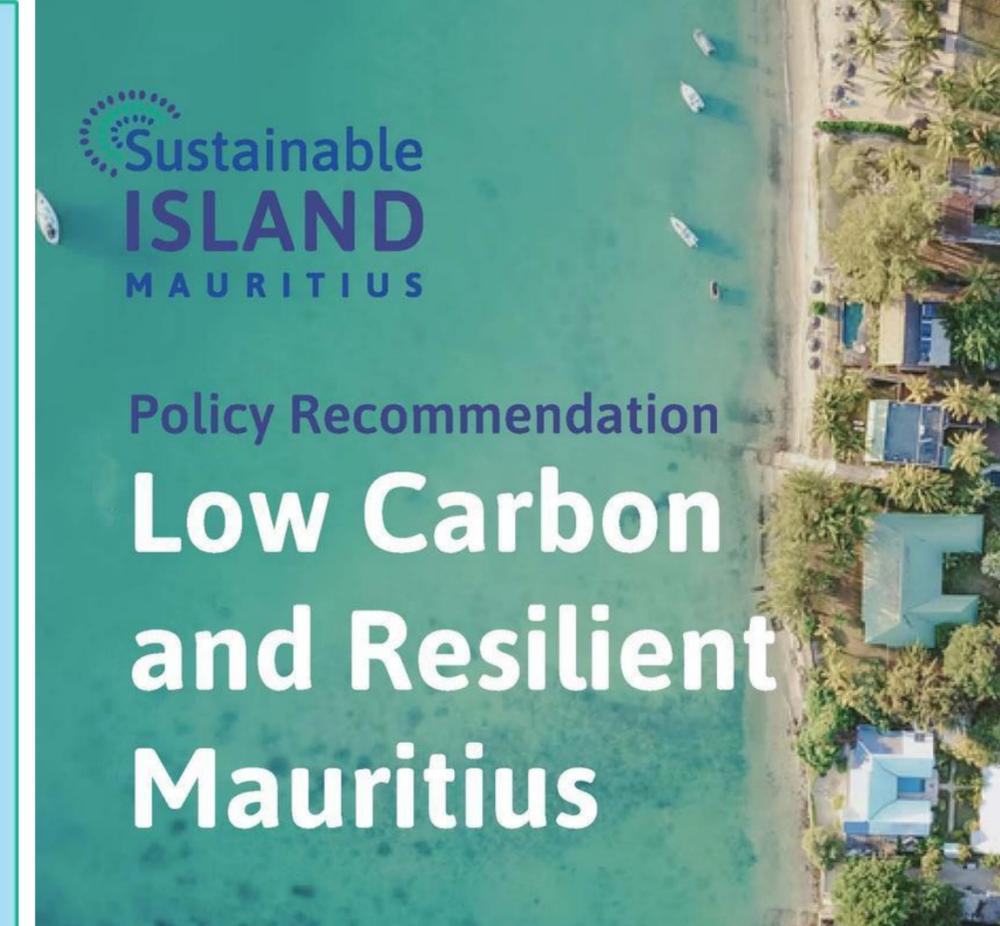

MAURITIUS ISLAND

ENGAGEMENT OF SIM THROUGH THE YEARS

PUBLICATIONS/ REPORTS

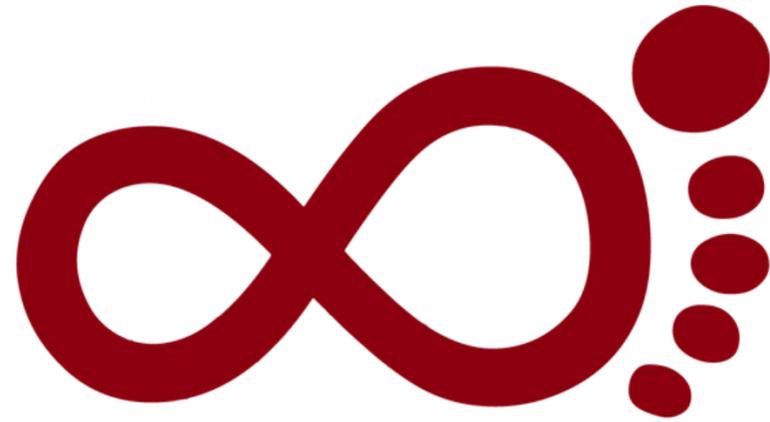

ACKNOWLEDGEMENT

Sustainable Island Mauritius, is the proud recipient of the Silver Distinction at the WTM Africa Responsible Tourism Awards in the category “Destinations Building Back Better Post-COVID”.

Mauritius through the Sustainable Island Mauritius is the proud recipient of the Best Tourism NDC Initiative of the Year, for its innovation and breadth of impact across the tourism and hospitality industry that help build a more sustainable and better future for the island at the first edition of the African NDC Investment Awards.
