

SUSTAINABLE TOURISM TRAINING

BERGEN, NORWAY, 14&15 FEBRUARY 2019

SUSTAINABILITY ACTIONS FOR LOCAL AND SMALL BUSINESSES

This training covers sustainability best practices, based on the Global Sustainable Tourism Council (GSTC) Industry Criteria and Performance Indicators (for accommodations, tour operators and travel providers), highlighting examples and lessons, and helping local businesses implement concrete steps to approach sustainable tourism in a practical and meaningful manner.

Learn about key issues affecting your business. Discuss and work on sustainability solutions relevant to your performance goals. Get inspired to implement concrete sustainability actions!
